

## Zenvora Consulting - Privacy Policy

### **1. Introduction**

This Privacy Policy explains how Zenvora Consulting collects, uses, and protects client and employee information.

### **2. Information Collection**

We collect personal, business, and identification information for service delivery and compliance.

### **3. Client Identification**

Clients must provide valid ID proof (Aadhaar, Address Proof not older than 3 months) and project purpose.

### **4. Data Usage**

All collected data is used only for project execution, support, and legal compliance.

### **5. Confidentiality**

All client data is protected under NDA and internal security policies.

### **6. Legal Responsibility**

Illegal usage of websites/apps after delivery is solely client responsibility.

### **7. Employee Policy**

Employees must maintain confidentiality and follow company ethics.

### **8. Salary & Management**

Salary depends on project completion and company profit during early stage.

### **9. Data Security**

We use industry standards to protect information.

### **10. Policy Updates**

Company may update this policy anytime.

### **11. Contact**

For queries, contact Zenvora Consulting via official website.
